

RISK ADJUSTMENT PROGRAM COMPLIANCE & RISK MITIGATION SERVICES

As a leader in healthcare compliance, ATTAC provides risk adjustment compliance and risk mitigation services for health plans, provider organizations and vendors for Medicare Advantage, commercial ACA, ACOs and Medicaid. Our services include:

- ⊗ Risk adjustment compliance and overpayments
- ⊗ Strategies for integrating recent OIG and DOJ findings into risk adjustment programs
- ⊗ In-home and in-office assessment coding oversight and compliance review
- ⊗ Coding standards review and chart overreads
- ⊗ Risk adjustment vendor controls and oversight program development
- ⊗ Risk adjustment compliance controls, analytics design and risk mitigation
- ⊗ Medicare RADV and Medicaid risk adjustment support
- ⊗ Mock Medicare RADV and Medicaid risk adjustment audits
- ⊗ HHS-RADV initial validation auditing
- ⊗ Policy and procedure review and augmentation
- ⊗ Investigation support and expert testimony

Talk with us about how we can help you implement effective and compliant risk adjustment programs.
